

Freshly Prepared Produce

About us:

Barker Boy Processing Pty Ltd is one of South Australia's largest quality processors, supplying a range of processed fruit and vegetables to the manufacturing and food service markets. Cut and packed to customer specifications, products feature a vast array of process styles, including whole peeled, turned, sliced, diced and baton.

Barker Boy can also supply whole produce to your needs.

Our produce range

We have four sections to our range of produce.

- * Freshly Prepared Vegetables
- * Wholesale Produce both interstate and local pick and pack
- * Fresh Salads
- * Organic Produce

We run a 7-day a week operation with several shifts to cope with fluctuating demands.

We can cater for your function from our website and large manufacturing volumes from our Plants.
