

## Freshly Prepared Produce

### About us:

Barker Boy Processing Pty Ltd is one of South Australia's largest quality processors, supplying a range of processed fruit and vegetables to the manufacturing and food service markets. Cut and packed to customer specifications, products feature a vast array of process styles, including whole peeled, turned, sliced, diced and baton.

Barker Boy can also supply whole produce to your needs.

### Our produce range

We have four sections to our range of produce.

- \* Freshly Prepared Vegetables
- \* Wholesale Produce both interstate and local pick and pack
- \* Fresh Salads
- \* Organic Produce

We run a 7-day a week operation with several shifts to cope with fluctuating demands.

We can cater for your function from our website and large manufacturing volumes from our plants.
