

# Freshly Prepared Produce

## History

Barker Boy has been operating in the processed food industry since 1986, and enjoys a significant market share in South Australia. Its product base is high quality and full range, which differentiates it from most of its competitors in a market which is demanding high quality, both in product and service; this has resulted in rapid growth of the business.

## Our produce range

We have four sections to our range of produce.

\* Freshly Prepared Vegetables

\* Wholesale Produce both interstate and local pick and pack

\* Fresh Salads

\* Organic Produce

We run a 7-day a week operation with several shifts to cope with fluctuating demands.

We can cater for your function from our website and large manufacturing volumes from our plants.

Magnificent views from Mount Lofty House, South Australia.
