

MUSHROOMS - SLICED**1. Product Description**

Sliced as per Customer specifications
 Other sizes by negotiation
 Product of Australia

2. Physical Specifications

The mushrooms are to look bright and not be overly ripe. Flesh colour is a tawny colour which develops as the mushroom matures, they will have a smell typical of freshly cut mushrooms. Before cutting the mushrooms they will feel "tight" and not be dried out or wrinkled. The cut pieces will be firm individual pieces which have been clean cut and not "mushy" in any way. There will not be any sort of pest infestation or foreign bodies such as stones or cardboard present.
