

## ZUCCHINI SHREDDED

**1. Product Description**

Product has a dimension of 3mm x 3mm by random length. Zucchinis that have been shredded still have their skins on, which results in the product having speckles of green through a predominantly whit/yellow looking product. Product of Australia

**2. Physical Specifications**

The zucchinis will have a very faint odour of sodium meta-bisulphite, which is used to prevent darkening prior to cooking. Solutions used for this purpose are very weak and will not exceed .01% in concentration. Skin will be a bright green and the flesh firm, and solid. Flower ends and stalk ends will not be present in the product.

**3. Preservation Aids Used in Manufacture**
